The Bedford Corn Exchange offers three rooms, all with licensed bars within listed buildings dating back to the 19th century.

Corn Exchange

Opened in 1874 the Main Auditorium of Bedford Corn Exchange boasts a grand romantic setting which owes much of its enchanting style to it's wartime past when it played host to many stars from the BBC Symphony Orchestra, BBC Proms. Vera Lynn, Bing Crosby and Glenn Miller, a tradition kept alive to the present day with a residency of the Philharmonia Orchestra, and the annual Glenn Miller Tribute concert.

Harpur Suite

Built in 1830, this beautiful Post-Regency Grade II listed building is steeped in history. In 1937 it became the town's library, only to be transformed in the late 1950's to the elegant room it is today. St. Paul's Church- just a stones throw away-has made the Harpur Suite an ideal location for many couples.

Howard Room

Ideal for an intimate wedding reception. The Howard Room can be transformed to your requirements, creating a unique ambience that is individual to your special occasion.
